Suitable for all year round. Great parts for boys as well as girls– Don't let the title fool you! This is a very popular large cast comedy play for primary schools and drama clubs. It will need at least 15, hopefully more, players to make it viable. This is another fantastic play, suitable for the inclusion of reticent children or children with EAL or special needs. The script is supported by a 24-track CD containing 11 modern catchy songs- each with vocals (for rehearsing) and backing tracks (for performance)

The Story: Miss Pettigrew is an ordinary teacher dreading the imminent arrival of the school inspector. Mr Slake is a tough PE teacher who runs a boxing club. Sam, the school caretaker and Doris the cleaner are in love. Doris thinks it's about time he proposed to her. Brian is the school bully, with a reputation . Tommy is a naughty school boy who hates school. Bill and Jill are brother and sister and are unpleasant to each other. One night, after they are fighting, Bill's tooth is knocked out. Tanya the tooth fairy visits. However, because Bill and Jill do not believe in fairies, the wicked witch takes control and orders that all birthdays are cancelled this year. She arranges for two burglars to steal all the birthday presents downstairs. But luckily Tanya regains her magic and the children's toys come alive to thwart the burglars. A policeman escorts the burglars away. But the story isn't over yet. The witch re-appears and takes Tanya's magic ring. Without it, Tanya is powerless, just an ordinary girl. The witch thinks it will be fun to send Tanya to school! So, Tanya finds herself in school. There is a boxing match, in which Slimbo unexpectedly defeats the school bully. The school inspector is impressed by Tanya's mathematical skills, and also by Miss Pettigrew who turns out to be his long lost lover. And of course, Doris and Sam end up making their marriage vows! Absolute hokum? Yes! Do the children and audience love it? YES!!!!

PHOTOS AND REVIEWS

"The best production we have ever done" – St Paul's School

Two of the clowns in the show!

Tanya the Tooth Fairy - a visit to the movies!

Tanya the Tooth Fairy is a musical comedy! The characters are: Slimbo, Tanya, Brian, sparring partner, policemen, school children, Bill, Jill, Miss Petigrew, Mr Slake, Doris, Mum, Dad, toys, Witch, and Mr Hardcastle. It was funny making the film, but it was sometimes boring. It was good and funny watching it, especially the romantic parts.

When we were making the film, the characters kept getting their lines wrong! Allie, Alice and Mathew B edited the film. Mr Hawkins helped us edit the film and sometimes did it for us but Allie, Alice and Mathew did most of it! All of the actors had coaches. The coaches looked at how the actors could be better for the movie because they were going to be in a premiere. On Wednesday 19th March it was the big moment for the actors to see themselves on a big screen. Ellie's favourite part in the film is when she does her 'titanic punch' and everyone was amazed at Slimbo because they do not know that she had it in her. Charlotte's favourite part is when Doris and Sam kept on talking about each other behind their backs! Allie's favourite part is where Slimbo does wins the boxing match! In the production we all worked together. It was interesting to see, in the songs, people behaving and not behaving! Allie also liked the singing!

Senior School Production

Congratulations to the senior school who have been working for months on "Tanya the Tooth Fairy". The finale was held last night where the students sang and performed with pride. It wasn't just about those on the stage as there were many students who were involved in being stage hands, set designers, prop creators, etc. This was one incredible team effort and the show itself clearly displays the talent that we have here. The students can be proud of the result following the time and commitment that they personally put into their varying roles and responsibilities.

We have to congratulate Miss Sarah Paulsen who grabbed the bull by the horns early in term 3 and has been the driving and guiding force over the last 4 months. Thanks also to the parents and fellow staff that have put in many hours of work to ensure that our students have the opportunity to shine in the performing arts. Below are a few pictures of the students. Well done team!!!

In June, all the Year 4 children took part in a musical production. We performed Tanya the Tooth Fairy to children, staff and parents. The play received rave reviews. The children all worked incredibly hard rehearsing for the production and the audience were very impressed with the singing, comic timing and general acting skills of all our cast. A special thank you must go to Mrs Crewe who provided our wonderful scenery, as well as to all the parents and carers who provided great costumes and lots of moral support!

Year 4 play - 01 July 2009

At a glittering, Oscars-style premiere event this week, children from Years 3 and 4 presented an Easter film to a celebrity audience comprising parents, friends and other invited guests from the local community.

This magical tale featured 'Tanya the Tooth Fairy' who overcame a wicked witch and a school bully to deliver a special gift to unsuspecting children. The 45 minute film was created entirely by the children, who took on the roles of actors, cameramen, sound technicians and editors, to produce a DVD that was ready for sale at the premiere itself. Dressed to impress, the children were on hand to welcome the audience and share in their excitement during the show, which was presented on a specially erected giant screen.
